Entry into Trail Fix is to be viewed as an all-in commitment made at the point of registration. Please note that entry fees may only be refunded to a maximum of 50% of the total amount paid if the request is made anytime before the six weeks leading up to the event date, and that no refunds will be offered under any circumstances within those six weeks prior to the event. Requests to transfer entry fees to other events within the Storm Racing series will be evaluated on a case-by-case basis, but will not be considered when the request is made within three weeks of the event date.

Team categories and/or members of a team can also be changed, but notification must be given prior to Race Day.

In the event that a race is cancelled or postponed due to factors beyond our control, (including, but not limited to, severe weather, war, flood, pandemic, or any factor that may make the operation of the event dangerous to participants, staff and volunteers), Storm Racing will make every effort to reschedule the race to a later date of its choosing. However, no refunds will be issued if a re-scheduled date is not possible. If a new date is offered, no refund will be granted to registrants who are unable to participate in the rescheduled event.
